BILIGHT CLOUD

GCV 80 44 20 B15 ECW

SAP	306344
Capacity	80 L
Model	BiLight Cloud 80
Real Volume	82 L
Height	0.855 m
Width	0.440 m
Rated power	2000 W
Mounting	Vertical
Heating time Δt 45K (15 - 60°C)	2:08 h:min
Control via internet	yes
Annual consumption of electricity AEC	1303 kWh
Energy class	B
Diameter	440 mm
Load profile	M
V40	141.2 L

MAX40   157 L

Superior Operational Efficiency

Cost Savings: With the highest energy class in its category (Energy Class B), BiLight Cloud significantly lowers your energy consumption, translating into reduced utility bills.

Environmental Impact: By choosing BiLight Cloud, you're contributing to environmental sustainability with a product designed to reduce your carbon footprint.

Superior Efficiency: Enjoy a more efficiently operating product that delivers better performance and a longer lifespan.

Smart Energy Management
Eco Smart Mode: BiLight Cloud intelligently adapts to your usage habits, providing hot water only when needed and saving up to 18% on energy costs weekly.

Seamless Remote Control
MyTESY App: Control your BiLight Cloud from anywhere using the MyTESY app on your smartphone or tablet. Enjoy the convenience of managing your appliance remotely, anytime.
Energy Optimization: Monitor energy consumption and adjust settings to maximize efficiency, further reducing your utility bills.

Real-Time Alerts for Peace of Mind
Performance Notifications: Receive instant alerts about performance issues or maintenance needs via the MyTESY app, helping you prevent potential problems before they arise.

Advanced Safety Features
Anti-Legionella Function: BiLight Cloud automatically activates a high-temperature boost if your water hasn't reached 65°C in 7 days, preventing harmful bacteria formation and ensuring your water is always safe.

Enhanced User Experience
Vibrant LCD Display: The colorful LCD display enhances your visual experience, providing better readability and visibility for an intuitive and user-friendly interface
Weekly programmer – possibility to make up to 3 weekly programs (P1, P2, P3);
Vacation mode - the appliance can be in „Stand by" mode for a certain period of time.

Transform your lifestyle with cutting-edge technology designed for today's smart consumer.

Experience convenience like never before with seamless Wi-Fi connectivity.

Enjoy top energy performance, savings and contribute to environmental sustainability.

Get your TESY BiLight Cloud now and step into the future with ease and affordability!
