

**SAFETY VALVE
SUPAPA DE SIGURANȚĂ**

ADVANTAGES

Auto control pressure to ensure the system operate more safe;
Easy to install;
The strong corrosion resistance.

TECHNICAL SHEET

Item no.	RN90329F
Size	1/2"
Setting pressure	2.5bar;3bar;6bar
Material	Brass
Medium	Water
Nominal pressure	$\leq 10\text{bar}$
Working temperature	$\leq 100^{\circ}\text{C}$
Max.Opening pressure	+10%
Min. Closing pressure	-10%
Connection thread	ISO 228 standard
Certificate	CE
