

## FISA TEHNICA

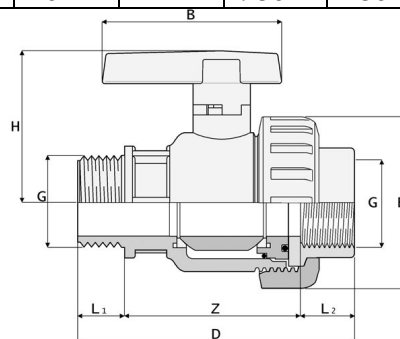

### ROBINET <AgriKIT> PVC HOL-FE PN16

#### 1. Domeniu de utilizare

- Robinet cu sfera pentru instalatii de irigatii cu presiunea de lucru 16 bar apa la 20 C

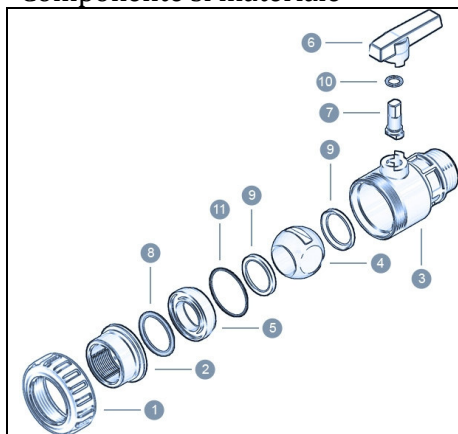

#### 2. Caracteristici dimensionale

| G<br>[inch] | DN<br>[mm] | L1<br>[mm] | L2<br>[mm] | Z<br>[mm] | D<br>[mm] | E<br>[mm] | H<br>[mm] | B<br>[mm] | Masa<br>[g] | Cod         |
|-------------|------------|------------|------------|-----------|-----------|-----------|-----------|-----------|-------------|-------------|
| 1/2"        | 15         | 15         | 17         | 53        | 85        | 50        | 50        | 57        | 105         | 76011012020 |
| 3/4"        | 20         | 17         | 20         | 61        | 98        | 59        | 55        | 66        | 160         | 76011012025 |
| 1"          | 25         | 19         | 22         | 72        | 113       | 68        | 63        | 75        | 245         | 76011012032 |
| 1 1/4"      | 32         | 22         | 24         | 84        | 130       | 80        | 76        | 90        | 360         | 76011012040 |
| 1 1/2"      | 40         | 22         | 24         | 104       | 150       | 96        | 88        | 103       | 590         | 76011012050 |
| 2"          | 50         | 26         | 29         | 122       | 177       | 116       | 102       | 121       | 980         | 76011012063 |

#### 3. Caracteristici tehnice

- Presiune maxima 16 bar la apa 20C
- Standard de produs EN 16135 –
- Dimensiuni filete ISO 228 , DIN 2999 - BS21
- Componente si materiale

1. Piulita – PVC
2. Stut cu guler – PVC
3. Corp – PVC
4. Bila – PVC
5. Suport – PVC
6. Maner – PVC
7. Tija – PVC
8. O-ring – EPDM
9. Scaun bila - PE
10. O-ring – EPDM
11. O-ring – EPDM

#### **4. Ambalare, manipulare , transport si depozitare**

- In cutii
- Depozitare in spatii inchise, uscate si ventilate
- Manipulare : cu grija, nu se arunca, nu se scapa.
- Transport: in mijloace acoperite corespunzatoare transportului de marfa, la transport se asigura contra deplasarii.

#### **5. Garantie**

- 2 ani de la livrare in baza facturii,
