Tetra TB 160 pipe brush Article Data Sheet

Product Name Version

Tetra TB 160 pipe brush 2024

×

The pipe brush has been specially designed to clean aquarium pipes both quickly and efficiently. Measuring 160 cm in length, the robust stainless steel wire makes it easy to insert the brush and guide it through the pipe. The brush removes dirt as it is pushed through the pipe and is suitable for all pipes with a diameter of between 11 and 25 mm.

- Perfect for cleaning the pipes in the Tetra EX external filter.
- Suitable for pipes with a diameter of between 11 and 25 mm
- Features an extra-long stainless steel wire
